I hereby authorize and direct the University to reduce my compensation by the amount shown above and to remit such amount to the Investment Provider(s) identified above. I understand that my total contributions for each calendar year cannot exceed the contribution limit set by the Internal Revenue Code and that it is my responsibility to monitor compliance with these rules.
- I understand that this salary reduction agreement **revokes and replaces** any 403(b) Plan Salary Reduction Agreement which I have previously signed. I understand that the contributions will be **deducted each pay period**. This Salary Reduction Agreement is irrevocable with respect to amounts paid while the Agreement is in effect. It will remain in effect until replaced with a different Salary Reduction Agreement or cancelled in writing.
- I understand that unless I contact the Investment Provider and request different investment choices for my account, the funds will be invested in a target retirement date life-cycle fund based on my current age and anticipated retirement at age 65. I understand that I may change my investment options at any time by contacting the Investment Provider. I assume responsibility for reading and understanding the materials provided by the investment companies regarding investments and for selecting among the alternatives.
- If this agreement is not received by the payroll processing deadline of the applicable pay period, contributions will begin the following pay period.
- I understand that this change only affects money that will be sent by the University after this form is processed in the Benefits Department. If I wish to transfer funds from one Provider to another, I must contact the new Provider to initiate the transfer.
- I understand that I may not access funds contributed to my account until the first to occur of the following events: (a) I reach age 59½; (b) I retire from the University, (c) my employment with the University has been terminated for 32 days or more; or (d) I experience an eligible hardship. Roth contributions are subject to a 5-year holding period (see the back of this form for info.)
- I understand and acknowledge the Benefits Department cannot give me tax or investment advice regarding my retirement account(s); I can obtain information and advice through my Investment Provider.

UNIVERSITY OF UTAH 403(b) TAX-DEFERRED ANNUITY PLAN Salary Reduction Agreement Form Instructions

All employees of the University of Utah receiving compensation may participate in the University of Utah 403(b) Tax-Deferred Annuity Plan (the "Plan"). Contributing to the Plan is a major financial decision. **This Plan is not a typical savings account**—there are restrictions regarding when you can have access to money deferred into a 403(b) account. Contact the University's Benefits Department or any of the Investment Providers if you have any questions about participating in the Plan. You may also want to consult a tax advisor before making a final decision to participate. **The Internal Revenue Code limits the amount that may be contributed to the Plan and imposes penalties for excess contributions. It is therefore important to carefully consider how much to contribute. The limits are discussed below.**

Minimum/Maximum Contribution Amounts: The minimum amount that may be contributed is \$12.50 per investment provider per pay period. Unless you qualify for one of the Catch-up Provisions described below, the maximum amount you may contribute to the 403(b) Plan (either pre-tax, after-tax Roth, or combined) cannot exceed Internal Revenue Code limits outlined below:

Year	Maximum Contribution
2008	\$15,500.00

After-Tax Roth Contributions: After-tax contributions are irrevocably designated "Roth contributions" when the deferral is made and will be maintained by the Investment Provider(s) in an account separate from pre-tax contributions. Your income is taxed before Roth contributions are deferred. Qualified Distributions of Roth contributions and any earnings on those contributions are not taxable in Utah and many other states when withdrawn. You may wish to consult a tax practitioner to discuss your particular situation. To be a Qualified Distribution the Roth account must have been open for at least 5 tax years (the 5-year holding period begins the first tax year for which a Roth contribution is made to the Plan or the first tax year Roth amounts are made to another employer's Plan which are subsequently rolled over into the University's 403(b) Plan), and (a) you are at least age 59½, (b) you have a qualified disability, or (c) the distribution is made to your beneficiary on or after your death.

Catch-Up Provisions: If you are eligible, you may take advantage of both Catch-up Provisions simultaneously.

15-Year Catch-up Rule: You may be able to exceed the Maximum Contribution amount shown above if you have 15 years of full-time equivalent service with The University of Utah. Contributions made under the 15-Year Catch-up have a lifetime maximum. Contact the Benefits Department or your Investment Provider for information and to see if you are eligible to take advantage of this catch-up. This catch-up option must be used before or at the same time as the Age 50 catch-up option.

Age 50 Catch-up Rule: If you are or will be age 50 or older during the year, you may contribute an additional amount up to \$5,000 per year.

To Open An Account: If you do not have an open University account with the respective investment provider when your first deferral is sent, an account will be opened in your name and funds will be invested in a target retirement date life cycle fund based on your age and anticipated retirement at age 65. To open an account with your chosen investment provider and select investment options go to www.hr.utah.edu/ben/retirement.

To Change Your Investment Options: Contact the investment provider's customer service department or make changes online through the investment provider's website.

To Transfer Your Assets From One Investment Provider To Another: Contact the investment provider you want to transfer your assets to. Complete the new provider's asset transfer form and send your completed form to the new investment provider. The new provider will contact your current provider and arrange the transfer.
